### Bedrock Professional Tenets of Value, Quality and Service

---

RODI POLLOCK PETTKER CHRISTIAN & PRAMOV IS A DOWNTOWN BUSINESS law firm embracing the same bedrock professional tenets of value, quality and service that were the original hallmarks of similar firms that prospered before the era of mergers and mega-firms. We share the professional ideals of those who founded our firm in 1969, lawyers who believed and appreciated that an attorney-client relationship is one of deep personal trust. Our clients expect and receive not just the highest quality legal counsel at a fair cost, but also our personal commitment to handle their matters as though they were our own. Period.
